ADAMS FIRE DISTRICT

THREE COLUMBIA STREET
ADAMS, MASSACHUSETTS 01220-1307

Due to the extreme cold weather, the Adams Fire District is advising customers to run your cold water at a pencil thin stream and maintain a warm temperature in your basement, for the duration of the winter. This is a precaution to prevent customer owned services and pipes from freezing. Please be aware that any additional water used will be at a cost to the customer. If you have any questions regarding this matter, please contact the Fire District Office at (413) 743-0179.
